LinkedIn	https://www.linkedin.com/in/francisco-barros-232631161/
Nationality	Portuguese
Date of Birth	14.02.1991
Gender	Male

PROFESSIONAL EXPERIENCE

Dates January 2021 – Present

<i>Occupation or Held Position</i>	Software Engineer – AppConnect
<i>Main Activities and Responsibilities</i>	Developing various backend and frontend solutions, enabling entities external to Talkdesk to create public or private plugins that integrate with the service provided by the Company, thus increasing the product viability.
<i>Employing Organization Name</i>	Talkdesk (Porto office)
<i>Recommendation Contacts</i>	Daniela Pinto (Talent Management) – daniela.pinto@talkdesk.com
<i>Type of Business or Sector</i>	Information Technology Company

Dates June 2019 – December 2020

<i>Occupation or Held Position</i>	Graduate Research Assistant
<i>Main Activities and Responsibilities</i>	Responsible for creating a custom Python cycle-based simulator, which targets distributed storage systems. In parallel, I remain responsible for studying the applicability of Probabilistic Swarm Guidance algorithms, using Markov chains, as a foundation for better file durability in P2P-based distributed storage services.
<i>Employing Organization Name</i>	Institute for Systems and Robotics (ISR-Lisboa)
<i>Recommendation Contacts</i>	Daniel Silvestre (Lead Researcher) – danielmsilvestre@gmail.com
<i>Type of Business or Sector</i>	Scientific Research and Development Institute

Dates July 2018 – August 2018

<i>Occupation or Held Position</i>	Software Engineer – Summer Intern
<i>Main Activities and Responsibilities</i>	Develop a backend server capable of processing data to help in the allocation of human resources, evaluate their performances as well as understanding customers satisfaction and their attitudes, by providing meaningful information, in real-time, through a REST API. Also responsible for administrating the respective database and Google Cloud services.
<i>Employing Organization Name</i>	Talkdesk (Lisbon Office)
<i>Recommendation Contacts</i>	Daniela Barros (People Team) – daniela.barros@talkdesk.com
<i>Type of Business or Sector</i>	Information Technology Company

Dates	April 2013 – December 2014
<i>Occupation or Held Position</i>	Deputy Chief of Operations
<i>Main Activities and Responsibilities</i>	As deputy chief of operations in H3, I was responsible for leading the staff during the workday, helping in product preparation to be served during business hours, and customer service plus satisfaction. I responded directly to the principal restaurant manager in achieving the coveted goals through cost control, inventory, provisioning and restocking, and efficient work schedule elaboration. During my stay, I was the youngest deputy chief of operations the company at the time.
<i>Employing Organization Name</i>	H3 – New Hamburgology (café3)
<i>Recommendation Contacts</i>	Graciete Alves – graciete.alves@h3.com
<i>Type of Business or Sector</i>	Food & Beverage, Restaurants and Hospitality
